

WORK PERMITS IN MICHIGAN

*According to the Youth Employment Standards Act 90 of 1978, as amended (Section 409.106), work permits shall be issued in the form prescribed by the Department of Labor & Economic Growth. The work permit forms (CA-6 and CA-7) were last revised in March 2006 and should replace existing work permit forms. **Michigan's Youth Employment Standards Act of 1978 requires employers to have work permits for employed minors. The permit certifies the age and compliance with labor laws prior to the minor starting work.***

Who Needs a Work Permit?

Any minor who is 11 up to 18 years of age and not specifically exempted from the Youth Employment Standards Act (P.A. 90 of 1978) and who works in a paid or unpaid position, must have a work permit. The minimum age for employment is 14 years, except that a minor 11 years of age or older may be employed as a golf or bridge caddy. A minor 13 years of age or older may be employed in certain farm operations or setting traps for trap skeet or sporting clays. Additionally, a minor, at least 11 years of age, may be employed as a youth athletic performance referee.

Who Issues Work Permits?

Permits are issued by the Chief Administrator (usually Superintendent) of a school district, intermediate school district, public school academy, or non-public school in which a minor resides or in which the minor's place of employment is located. Superintendents often designate staff in their central offices or in the middle/high schools to issue work permits. This person is typically referred to as the Issuing Officer. *NOTE: That person must be authorized, in writing, and the issuance of work permits must be part of his/her job description. The written authorization must be kept in the person's personnel file and/or personal file on site. The Department of Labor & Economic Growth does not receive a copy; the letter is to be kept locally, only.*

Types of Work Permits

Form CA-6 is a pink form and is used for minors who are under 16 years of age.

Form CA-7 is a yellow form and is used for minors who are 16 and 17 years of age.

Instructions for completing and issuing CA-6 and CA-7 Work Permit and Age Certificate Forms are on the back of the respective forms. These instructions are a formal part of the work permit and must be printed on the back in order to be considered valid.

A completed work permit allows a minor to be employed only by the employer who completes the "offer of employment" section (Section II of the form). CA-6 and CA-7 work permits are valid until a minor turns 18 or graduates from high school as long as the minor works for the same employer.

Employers may obtain single copies of work permit forms from their local school issuing officer. Larger quantities of the forms may be purchased from the Michigan Center for Career and Technical Education (800-292-1606).

What is the procedure to legally employ minors with Work Permits?

Minors start the work permit process by completing Section I of either the CA-6 or CA-7 (depending on the minor's age). Section II is the employer's offer of employment and needs to be completed in full. The following is a check-off of information needed from the employer:

- Job duties/tasks to be performed by minors (employers need to be specific)
- Equipment/tools used by minors (employers need to be specific)
- Applicant's job title
- Hourly wage
- Hours of employment, including start and ending times
- Employer's signature, title, date signed, and telephone number

Issuing Officers cannot fill in blank sections or issue the work permit if any part of the form is incomplete. This information needs to be accurate because issuing officers must certify that the information provided by employers conforms with state and federal laws and regulations. The employer then gives the form to the minor and the following steps must be completed before the minor can begin work:

- Minor takes form to school district's issuing officer (minor must appear in person)
- Issuing officer verifies age of minor using best available evidence of age
- Issuing officer verifies that employers "offer of employment" complies with state and federal laws and regulations
- Issuing officer fills in "number of hours in school" section
- Issuing officer issues work permit by signing and dating form and keeping a copy on file
- Minor returns the completed original form to the employer
- Minor may now begin work

Employers must keep the original CA-6 or CA-7 on file at the place of employment for as long as the minor is employed. The issuance of a work permit does not authorize employment of minors contrary to state or federal laws and regulations. Employers must continue to monitor student hours in school and at work, provide supervision, and monitor work activities to assure that students are working in a safe and healthy environment.

Restricted Occupations for Minors

Under Michigan and Federal child labor laws, many occupational job duties are restricted to a certain age, or prohibited under age 18. Any minor who has a work permit revoked by the school shall be informed of an appeal process by the school.
